Dear Parents,

Please join High School Principal - Christopher Eckert, and Director of Pupil Services - Joshua Martin and I for tonight's Superintendent Zoom Reopening Conversation. Tonight's discussion will focus on Special Education and Fall Sports.

We know that many of the reopening plans are informative, at the same time, you may be wondering what the schools will look like. We created a video for each school where the school administration and I walk through the building sharing the details of our plans and giving you a window into the physical space of each school and the mitigation strategies that we have in place. The tours follow the progression of a student's day from being dropped off in the morning to being dismissed at the end of the day. To see these videos, please visit the school website: www.eashaddamschools.org to view each of the schools' Reopening Plan Video Tours.

Attached to this letter is the latest District Reopening Plan Addendum on Meal Service and Pre-Ordering Food. As you know from the reopening plans, the food service program will be different this year as part of our mitigation plans. Please read this addendum and log on to MyPaymentsPlus as soon as you are able. Please contact your building offices if you have any questions.

Thank you for your collaboration and patience.

Sincerely,

Brian S. Reas
