September 11, 2020

Dear Parents and Guardians,

Earlier this week we informed you that the USDA approved our application to distribute meals for all enrolled students free of charge. It is anticipated that this program will continue through December 31, 2020 or until the state provided funding ends.

In Person Learners:

For students attending in person, please continue to order meals on MyPaymentsPlus as you did before. The more in advance you can order your meals, the more efficiently we can deliver them to the students. You will not be charged for the meals. If you order just a milk, with no meal, there will be a \$0.50 charge.

Remote Learners:

For students attending remotely, meals are available on a weekly basis. A Grab n Go style package of the weeks' worth of breakfasts and lunches can be picked up on the first student school day of the week (typically Mondays, unless there is a holiday) at 4:00-4:45PM at the high school driveway on the right side of the school. This is similar to the summer meal pick up and is the same location for students from all 3 schools. Please order your meals on MyPaymentsPlus as you did before, using the Remote Learner Weekly Meal Activity Forms for your orders. Please do not use the In-Person order forms.

Thank you for your patience and collaboration during these trying times. If you have any questions, do not hesitate to reach out to Food Services Director Laura Cardinal at Laura.cardinal@easthaddamschools.org.

Sincerely,

Brian S. Reas
Superintendent of Schools
