November 16, 2020

Dear School Community,

I am writing to inform you that a member of our East Haddam Elementary School community tested positive for COVID-19.

The district, in collaboration with Chatham Health District, has completed the contact tracing process. At this time, all contacts have been notified. We are required to maintain the confidentiality of our community members. As a result, 12 students and 3 staff members were instructed to quarantine.

The decision to quarantine is made when persons are within 6 feet for an accumulative 15 minutes in a 24 hour period.

Thank you for your support during this time. Questions can be directed to the COVID liaison at covid.liaison@easthaddamschools.org.

Sincerely,

Brian S. Reas
Superintendent of Schools
