November 23, 2020

Dear School Community,

I am writing to inform you that a member of the Nathan Hale-Ray High School community is a close contact and is considered a probable case awaiting test results. As I write this letter, we have completed communicating to all members of the community considered possible close contacts awaiting test results. This quarantine includes 23 students and 2 staff members.

The district, in collaboration with Chatham Health District, has completed the contact tracing process. At this time, all contacts have been notified. We are required to maintain the confidentiality of our community members.

Thank you for your support during this time. Questions can be directed to the COVID liaison at covid.liaison@easthaddamschools.org.

Sincerely,

Brian S. Reas
Superintendent of Schools
